

Norphlet Decl. Exhibit B

Jasmine Oliver says that AA Marissa has been trying to fight her since last week, last Monday. Leaving the building last Monday for 9:00 or 11:00 break, exiting the building she felt that Marissa was upset b/c she was walking too slow for her. She said that Marissa began to flip out on her and she asked her if she had a problem, ~~Marissa~~ She said that Marissa then said, "meet me outside." Jasmine says that she immediately went to Ben + William and said that she has filed 5 reports + wants this incident recorded. A water spider seen her talking to security about this. She says that security did nothing when she shared this information. After break she says Marissa asked her, "where were you b/c we can fight; we can fight after work." Jasmine said that she responded with, "we can fight." Marissa responded, "OK".

On today 5/23 she walked up to the monitors Marissa said, "where were you? * we were supposed to fight." Jasmine said she responded, "Let's go we can do it now." She says Marissa pulled her phone out + began recording and said,

"you see we at work right." Jasmine admitted to continuously going off & also tried recording but it did not work. Everyone on the wall seen the event. Jasmine says that she has every right to defend ~~yourself~~ ^{herself}. She also says she has PTSD that causes her to get aggressive when provoked. She refuses to write a statement & will only give verbal statements. She is aware that I am writing this to have proper documentation on her behalf of what happened. She says that she will also be filing a complaint w/ the EEOC & Equal right division. She says that she reported the threat & nothing was done.
